Q: How are kill points determined for units of Wolf Guard that are split off to lead other units?

A: Any Wolf Guard that has been assigned to lead another unit will count as a member of the unit it was assigned to for the purposes of Kill Points [clarification].

Q: Wolf Scout entry says, 2 may upgrade bolt pistol to either Plasma Pistol or Power Weapon. Is this a misprint or if you take the power weapon do you have no ballistic weapon anymore?

A: Most likely a misprint. A Wolf Scout will be allowed to trade his Bolt Pistol for a Plasma Pistol and his Close Combat Weapon for a Power Weapon [rules change].

Q: Does a Wolf Lord with a Thunderwolf Mount use T5 or T4(5)?

A: T5 [clarification].
